## A Message from our founders

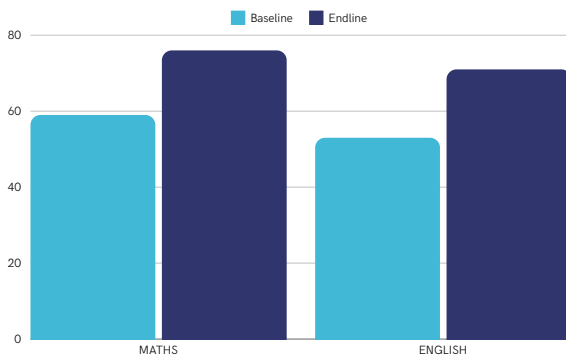

"Every child deserves the chance to discover their potential, and as adults, it's our duty to support them in this journey. It's especially crucial for society to step in for children from less privileged households, as they do not have easy access to opportunities. Socially conscious volunteers from educated and privileged homes can help bridge this gap."

➔ Anubha Sharma, Co-founder & CEO

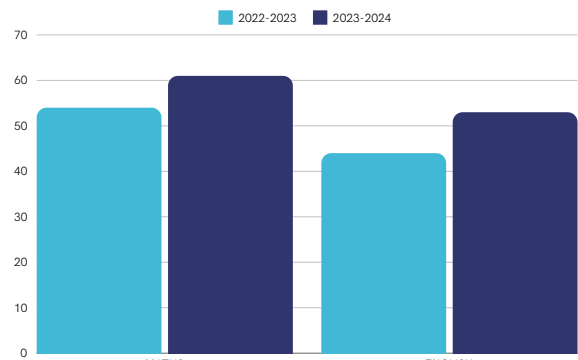

"Our volunteers at Angel Xpress Foundation are our backbone, guiding the students with their dedication and support. They are the unsung heroes who transform our vision into reality, shaping Angel Xpress Foundation into what it is today. We owe our strength and growth to their unwavering commitment, compassion, and hard work"

## Volunteer Testimonials

"I have witnessed first-hand the positive impact AXF has on the lives of these children. From improving their academic performance to instilling confidence and a sense of purpose, AXF's programs are making a tangible difference in the community."

→ Debika Ajmani - Juhu Centre

"Volunteering helps create a bond with the children that is pure and everlasting. Their smiles, greetings, show of love and respect can brighten a dull day instantly. What use is knowledge that is not shared?"

→ Anuja Moorthy - Powai Centre

## Student & Parent Testimonials

"AXF has helped me improve in English and Maths and given me great opportunities I wouldn't have had otherwise. I choreographed a performance for Independence Day and assisted during a picnic at Seawood Mall. AXF has boosted my confidence, leading to better academic performance. I'm now a class CR at SNTD college, working towards my dream of becoming a CA. AXF changed my personality for the better, making me more confident and eager to learn."

→ Mansi Gupta - Chembur Centre

"I have 3 kids studying in AXF - Deepak, Chandan & Sumit. My kids never attended classes, especially Chandan, but after enrolling them in AXF, Chandan has been attending classes regularly along with his siblings. Deepak is very smart in his studies. In fact, all three of them attend a Hindi medium school but speak very good English and score excellent marks in the subject. AXF has made a significant difference in their education and confidence."

→ Upasna - Mother, Sewri Centre

## Key Initiatives in FY 24-25

1. Bridge courses for 7th std students wherever there is a gap in learning for a smoother transition to SSC curriculum.
2. Strengthen Programs and Processes - Focus on improving existing programs and enhancing organizational processes.
3. Growth initiatives to be re-initiated after ensuring robust programs and streamlined processes are in place.
4. Increase Data-Driven Decision Making: Using student data to make informed interventions.
