

ANNUAL IMPACT REPORT

2024-25

A MESSAGE FROM THE LEADERSHIP

2024-25 has been a year of remarkable momentum and quiet victories. While numbers tell a compelling story of impact, what defines us most is the transformation we see every day—in our children, our volunteers, and our communities.

This year, our students not only improved attendance and board performance, but they grew into confident individuals equipped with life skills for a better tomorrow. Our volunteers gave generously of their time, forming lifelong bonds and learning alongside the children they mentored.

As we celebrate this year, we remain inspired by stories like that of *Sonu Thakur*—once a student at AXF, now a co-manager at one of our centers. His journey reflects everything Angel Xpress stands for.

Here's to another year of walking together, growing together, and changing lives together.

Anubha Sharma

Founder & CEO

I continue to be inspired by how far our students and volunteers have come. Angel Xpress began as a small dream to bridge the opportunity gap, and today, it's a vibrant movement powered by compassion and action.

This year has reaffirmed our belief in what consistent community engagement can accomplish. We remain deeply committed to creating spaces where every child can thrive and every volunteer can grow.

Let's keep showing up—for the children, for each other, and for the better future we all envision.
